

LINCOLN COUNTY AMBULANCE DISTRICT

Ambulance District

July 2, 2018

Rebecca Wood, Chairman; Roy Hubert, Commissioner; Terry Zech, Commissioner; Sarah Thomas, Clerk for Minutes.

9:30a.m. - Chairman Wood called the meeting to order

9:30a.m. - Ambulance Budget

The budget went up in Travel/Training and Med Control. .

Lincoln County was selected to be part of a pilot project from the State called Community Health EMS Program (CHEMS). This program would work closely with the Shoshone Family Medical Center to help provide house calls to patient throughout the county who are not always able to make it to appointments. The hope is that by providing this service, it will help prevent more problematic health issues that could lead to E.R. visit/hospitalizations; thus saving the patient and county money. Marc would like to lease a truck in order to help provide these services, it would be used for double duty, he estimated using the truck around 20 hrs a week for the CHEMS program, and allowing the workers to use the truck to get to and from the ambulance barn instead of their own vehicles when calls come in. The state EMS Bureau may be willing to pay for half that lease for the next 3 years.

Marc would like to raise the wages of both the Advanced EMT's and the regular EMT's.

Some more discussion on Ambulance budget.

10:02am- Ambulance Barn Rent

Larrin Sant wants to raise the rent from \$300.00 to \$375.00 a month.

Marc is to look at the maintenance shop as a possible new location for the ambulance barn. Currently the sheriff's office is using part of the shop for impound vehicles. The commissioners would like Marc to use the east end bay. It would require some work to make it suitable to house the ambulances, a wall would need to be put up in order to divide the sheriff's area from the ambulance's, as well as insulating and sheet rocking the walls before winter. It would be able to house 2 ambulances.

Chairman Wood asked for any other recommendation from the commissioners. Commissioner Hubert would like to get an estimate on the potential work it would take to get the shop adequate.

10:10am- Chairman Wood adjourned the meeting.

LINCOLN COUNTY AMBULANCE DISTRICT

Respectfully,

Sarah Thomas, Clerk for Minutes

Rebecca Wood, Chairman

Attest:

Sarah Thomas, Clerk for Minutes
