Chairman Wood suggested to the ambulance personnel about possibly coming to the Arts in the Park and doing a little public relations; would like them to have an ambulance set up at the county fair so that people can take a tour of the vehicle.

Clerk Farnworth found a mathematical error on the claims.

**Commissioner Zech made a motion to amend the ambulance claim and accept the corrected amount of \$4632.61. Commissioner Hubert seconded the motion. Vote unanimous in favor ; motion carries.**

The bank account was reviewed and discussed.

Budget- Clerk Brenda Farnworth

Clerk Farnworth presented the revised Ambulance District budget draft to the commissioners.

It was suggested that the Ambulance District should start buying their printing paper from the county, which will save them significant money on their supply line.

Clerk Farnworth corrected the salary calculation in the budget that was presented by Marc last week. Clerk Farnworth reviewed the revisions.

Marc phoned into the meeting to clarify the budgeted amount in the equipment purchase line.
